THE MYSTERIOUS DOOR

THE MISSION

A mysterious door has appeared where no door should be. No one knows where it came from or what's waiting on the other side.

Your mission is to imagine the adventure beyond the door.

Where does your mysterious door appear? Maybe it's in a strange place, a different time, or somewhere that shouldn't even be possible? What's waiting on the other side? And what happens when someone steps through?

MAKE IT YOUR WAY!

Draw, write, build, make a comic or storyboard, or find your own way to bring your adventure to life.

TAKE IT FURTHER!

On the other side of the door, maybe there's a strange rule everyone must follow or an unexpected challenge someone must complete. What is it? What happens if things go wrong?
